EDITOR'S NOTE

Dear Rotarians,

This is the 12th and last issue of Karachi Rotarian by the outgoing Honorary Secretary for 2025-2026. Launched in July 2025 at the start of our tenure, we hope this e-newsletter has been informative and insightful for RCK members, through its wide-ranging coverage of club activities, weekly meetings, activities of other clubs in the District, an international day each month relevant to Rotary, and still other content.

As Editor, my thanks go out first of all to Trustee Aziz Memon, for motivating me to take on this task, to President Naila Masood for her encouragement, and to other Board colleagues and RCK members like Joint Secretary Shafqat Ali, Rtn. Aamir Butt, Rtn. Mansoor Y. Shaikh, Rtn. Asher Ali and Executive Secretary Rtn. Shahzad Ahsan, and still others, for their support in the shape of content and information.

As you may have noticed, the last page of each issue is an ad of the sponsor of that issue. Sponsors being members of the Board. So, my sincere thanks also for their support to PDG Dr. Farhan Essa (sponsor of 5 issues, no less!), Past Presidents Nisar Shaikh, Muhammad Ovais, Shoaib Ismail and Pervez Madraswala, Rtn. Khalid Abdullah, and president-elect 2027-2028, Rasheed Jan Mohammad. Gentlemen, my sincere thanks for your support.

Bringing out the monthly e-newsletter has been both challenging at times, and uplifting, and I now wish the very best to my successor as RCK Honorary Secretary & as Editor of Karachi Rotarian, Bilal Mustikhan, to continue with the newsletter. And I am sure he will bring his own touch to our publication and bring about improvements.

With best wishes,

Zohare Ali Shariff
Editor Karachi Rotarian &
Honorary Secretary RCK, 2025-2026

PRESIDENT'S MESSAGE

Dear Rotarians,

So, the 2025-2026 Rotary year has come to an end. And here I am, saying goodbye, as the club President for this year, to one of the most fulfilling times of my life.

I was truly fortunate to be able to serve Rotary, to understand better the concept of "Service above Self". What I will cherish most, are the incredible people I have met, especially all those running some active projects, that distinguish Rotary. I have made genuine friends, formed deep connections and had the privilege of

knowing some truly extraordinary individuals.

The warmth, support and generosity of fellow Rotarians have a special meaning, and I will carry those memories with me always. The trust, confidence and constant support offered by Trustee Aziz Memon and PP and PDG Mr. Akhter Alvi, and by the Board of Directors, made it possible for me to realize the goals, which I set out to achieve. It has been an absolute honor to work with you all. And I will take this opportunity to thank my team mates.

The Honorary Secretary, Zohare Ali Shariff, did some remarkable work in improving the communication of RCK, while supporting me in weekly meetings and in other ways. Thanks mate, for a job well done!

Our Shining Hero, the Joint Secretary, Shafqat Ali, who always stepped in, and when emergency called, he was always a key support, which every President will always need. Shine on Shafqat!

The Wonder Boy, our Treasurer, Ravi Kumar Motiaini, was the one who always came in with Good News. His many achievements in terms of Audited Financial Statements, Income tax returns, active filer status, withholding tax compliance, and seeking tax exemption status for RCK, go a long way in strengthening, the club operations.

And our Executive Secretary, Shahzad Ahsan has truly mastered the art, of serving not one, but umpteen number of bosses, in his cool, calm and collected manner. I salute his equanimity. And many, many thanks also go to Umair Bhatti, for always delivering with a smile.

My team delivered beyond my expectations, their contribution has firmly positioned RCK, into doing some Big Time fundraising, while I am excited about the incoming Team for 2026-27, and wish them every success in their plans.

I want you all to know, that this is not a good bye. Please stay in touch; -my door (and my heart) , will always be open for all Rotarians.

God Bless you All.

Naila Masood
President RCK, 2025-2026

BRIEF HIGHLIGHTS OF THE YEAR 2025-2026

As the RCK Board for the Rotary year 2025-2026, under President Naila Masood, ends its tenure and hands over the reins to the new Board for 2026-2027, under President Humayun Qureshi, we take this opportunity to share brief highlights of some of the work done by the outgoing Board.

A. FUNDRAISING

A major achievement of the 2025-2026 Board was the highly successful fundraising done for Rotary projects, which was realized through the personal efforts of President Naila Masood. The total amount raised was PKR 11.10 million, contributed by 3 organizations as given below:

PKR 6.60 million

PKR 2.20 million

PKR 2.30 million

These funds are being utilized as follows:

OGDCL donation is being used for 3 reverse osmosis (RO) water filtration plants at 2 locations in Mirpur Khas. Each plant is of 5,000 gallons (19,000 litres) capacity, and will benefit about 7,600 people daily.

Out of the PKR 2.20 Bank AL Habib donation, PKR 2.2 million has been utilized for the 93rd RCK Charter Night, held on May 23. The balance amount of PKR 1.3 million is proposed to be utilized for the Rotary Annual Ball later in the year.

Meezan Bank donation amount has been deposited into RCK's Trust Account, and its utilization will be determined in due course.

Fundraising for Ditwah Disaster Relief Fund, Sri Lanka

Members will recall that in December 2025, our sister club, the Rotary Club of Colombo, of District 3220, Sri Lanka, had reached out to us for support, for their project of rehabilitation of schools after the Ditwah Disaster, a catastrophic tropical cyclone that brought heavy rain to Sri Lanka in late November and early December 2025. The storm caused heavy flooding and landslides, killing over 600 people, with hundreds of others missing, and destroying homes, schools and even complete villages.

In response to the request by our sister club in Colombo, Trustee Aziz Memon launched a strong appeal for donations, personally calling up several members. We are proud that our members responded equally strongly, in true Rotarian spirit. At the end of the donation collection, a total of PKR 7,580,000 was raised, just from contributions of our own members. Perhaps a record for donations to a cause by RCK members on their own!

B. LONG-OUTSTANDING FINANCIAL ISSUES RESOLVED

RCK had several outstanding financial issues that were pending resolution for a long time. During the past year, primarily owing to the dedicated effort of Honorary Treasurer, Ravi Kumar, supported by other Board members, the issues were resolved satisfactorily. These issues included:

1. KE Share Regularization completed.
2. Audited Financial Statements finalized and updated to the year 2025.
3. Income tax returns duly filed up to 2025, resulting in the successful restoration of Active Filer status after nearly a decade.
4. Withholding Tax (WHT) compliance initiated and is being strictly followed as per FBR requirements from January 2026 onwards.
5. PCP Certification Application submitted and is currently in process, aimed at securing exemption status from FBR.

These milestones reflect significant progress in strengthening the financial discipline, regulatory compliance, and institutional standing of the Rotary Club of Karachi Charitable Trust.

C. RCK COMMUNICATIONS UPGRADED

In today's world, effective and credible communications is vital for creating awareness and building trust with external audiences, and promoting fellowship and motivation with internal audiences. With these objectives in mind, during the year 2025-2026, the Honorary Secretary, with a background in communications, actioned the below measures.

1. RCK's new website, www.rck.org.pk was launched. All important information about our club is posted on it, including our history, our projects, list of all members, list of all Presidents, weekly meetings summaries, etc. our website is our window to the world and through regularly updating it, we can keep Rotarians globally, and anyone else interested, about our club and its activities.
2. RCK's monthly e-newsletter, Karachi Rotarian was launched, providing both RCK members and other Rotarians across the world (as the newsletter is also posted on our website), a detailed account of all that goes on in our club.
3. A document, Guidelines for Speakers was prepared. Board President and other office-bearers and Board members, are to share this document with speakers invited for our weekly meetings, so that speakers are clear about how our meetings proceed, and what they need to do to follow our standard procedures,
4. Another document, Project Partnership Form, was developed, to streamline our working with new partners on new projects, requiring the noting down of key facts, figures and other important information about each project, as per a given format / template. This document also details the roles and responsibilities of all parties, and the completed Forms will also form a record of our Projects.
5. A new, infographics-based format for weekly meetings updates presentation was designed.

D. CLUB ACTIVITIES & COLLABORATION WITH THE DISTRICT & OTHER CLUBS

A defining feature of the Rotary organization is that while individual clubs work on their own projects and activities, collaboration with the District and with other clubs, both within the District and in other Districts, is also an integral part of the Rotary culture. The epitome of this is of course the Rotary International Convention, which is attended by members of scores of clubs throughout the world, giving an excellent opportunity to Rotarians globally to meet, interact, promote fellowship and learn from each other's experiences.

In the same spirit, during the year gone by, RCK collaborated on various different events, activities and projects, with the District 3271 team, and with several clubs in the District.

RCK Joint Secretary, Shafqat Ali, was always at the forefront in this area, rallying and mobilizing, both with the District and with other clubs, often achieving very difficult tasks at short notice. He was living embodiment of the Rotary motto, Service Above Self.

As such RCK actively participated in District events like the District Installation Ceremony in July 2025, the Rotary Foundation Seminar (hosted by us), SMARTCON 26 event.

RCK activities during the year included:

- a. Books Distribution Event at Government School Bahadur Yar Jung, in collaboration with Rotary Club of Karachi Midtown
- b. Breast Cancer Awareness campaign
- c. World Polio Day Activity
- d. Drug Awareness Campaign Seminar
- e. MoU with Sindh Microfinance Bank Ltd., for micro-loan to ALP beneficiaries
- f. Annual General Meeting
- g. Annual Fellowship Dinner hosted by Rtn. Mansoor Younus Shaikh at his residence
- h. Donation of Winter Items To Schoolchildren In Mansehra
- i. Inauguration of a Hand Pump, funded by RCK in GADAP
- j. Art Therapy Session for Amputee Children at ALC
- k. Valentine's Day Friendship Cruise
- l. RCK iftar-dinner, hosted by VP Rasheed Jan Mohammad at his residence
- m. Ramzan Ration Drive, led by Rtn. Amena Khan
- n. Eid Gala Fellowship Dinner was hosted by Rtn. Faisal Lodhia at his residence
- o. Beach Cleaning Drive
- p. Plantation Drive
- q. RCK's 93rd Charter Night

E. WEEKLY MEETINGS

During the past year, 42 weekly meetings were successfully organized. It was ensured that we have a diversity of speakers, from different backgrounds and fields. One common denominator was that all speakers must add value for our members, in terms of knowledge and insights.

As such the fields of activity of our speakers, in alphabetical order, included, Arts & Culture Development, Diplomacy, Education, Environment, Financial Services, Government Service, Healthcare, Humanitarian Work, Management, Socio-economic Development, Shipping.

An effort was also made successfully to secure female speakers regularly, all of whom were leaders in their respective fields.

Dr. Ziauddin University Hospital

Mohammad Hassan Bakshi

Chairman Association of Builders and Developers of Pakistan (ABAD)

Meeting #	:	39 of 2025-2026
Date	:	Tuesday, June 02, 2026
Topic	:	Prospects and Impediments for the development of the construction industry in Pakistan
Participants	:	52

Mohammed Hassan Bakshi is a distinguished entrepreneur, industrialist, and industry leader, with a significant presence in Pakistan's real estate, construction, and manufacturing sectors. Taking charge of the family business at just 17, he expanded it through dedication and vision. He has served as Chairman ABAD Pakistan twice (2018–19 and 2024–26)

and is the only individual to progress consecutively through ABAD's leadership ranks. A member of the Prime Minister's Task Force on Housing and Construction, he has collaborated with the World Bank and IMF, championing sustainable urban development, affordable housing, and economic prosperity.

Meeting Proceedings

- Invocation by Rtn. Dr. Imran Yousuf, followed by the National Anthem.
- Guests were warmly welcomed.
- Birthday greetings: Rtn. Anila Sajid Qureshi (May 25), Rtn. Sohail Mohammadi (May 27), and Rtn. Manzoor Ahmed and Rtn. Mohiuddin Chawla (June 1).
- Project updates: 63 artificial limb patients served; 650 dialysis treatments provided; 2 new mental health patients enrolled, bringing the cumulative total to 4,285.
- Update shared on District Governor Shakeel Kaimkhani's official visit to RCK on May 23, during which President Naila Masood presented the Club's activities and projects. The DG expressed appreciation for RCK's work, particularly the Artificial Limbs Project.
- Highlights of the 93rd Charter Night were noted, including the participation of several senior members with decades of Rotary service.
- Members were encouraged to register for the District 3271 Awards Night scheduled for June 6, with RCK expected to receive multiple awards.
- Trustee Aziz Memon was invited to brief members on the upcoming Rotary International Convention in Taipei.
- Vice-Admiral (Retd.) Shah Sohail Masood was inducted as a new member of the Rotary Club of Karachi.

- Guest Speaker, Mr. Mohammad Hassan Bakshi invited to the head table.
- President introduced the guest speaker, who addressed members and shared his insights during an interactive session followed by Q&A.
- Presentation of memento to the guest speaker.
- Sunshine Collection: Rs. 142,700 so far; today's collection Rs. 1,500; total Rs. 144,200.

Key Insights from the Talk

1. The Association of Builders & Developers (ABAD) was established in 1973, and its HQ is in Karachi. It has 1,600 members throughout the country.
2. Pakistan currently has a shortfall of 14 million housing units, out of which 3 million are required just in Karachi.
3. About 52% of Karachi's population lives in slums and katchi abadis
4. At least 72 other industries are allied to the construction industry, which shows its great importance to the overall growth of the economy. In Europe, the figure of allied industries is about 200.
5. Certain critical steps are needed as a way forward for the growth of the construction sector:
 - a. Digitalization of land record
 - b. Identify the bad elements in the construction industry and take action against them.
 - c. Corruption must end.
 - d. Judicial reforms are a must for fast and just resolution of cases and disputes.

Rtn. Dr. Imran Yousuf

Managing Director, JOFA Group

Meeting # : 40 of 2025-2026
Date : Tuesday, June 09, 2026
Topic : Harmony Within Strategy for Coping with Stress
Participants : 56

Dr. Imran Yousuf is the Managing Director of JOFA Group and a globally recognised leader in management sciences and psychology. Holding a D.Litt. and PostDoc from the UK, he is a Master Trainer in NLP and Clinical Hypnotherapy, and serves as National Convener of the PostDoc Society, UK. Over three decades, he has conducted seminars and workshops across four

continents, reaching over 100,000 individuals. A member of psychological associations in Canada, the US, the UK, and Pakistan, he has received national awards from four countries, is the author of eight books, and is ranked among Pakistan's Top 100 CEOs.

Meeting Proceedings

- Invocation by Rtn. Feroz Abdullah, followed by the National Anthem.
- Guests were warmly welcomed.
- Birthday greetings: Trustee Aziz Memon (June 3).
- Project updates: 61 artificial limb patients served; 723 dialysis treatments provided; 29 new mental health patients enrolled, bringing the cumulative total to 4,314.
- Congratulations extended to RCK members on the outstanding performance at the Rotary District 3271 Awards Night, where the Club received 19 awards, including the Best Club Award, Club President Platinum Award 2025–26, and Best Assistant Governor Award. Individual recognition awards were also presented to several RCK members.
- Heartiest congratulations conveyed to IPP Shoaib Ismail, PP Pervez Madraswala, and PP Muhammad Ajaz Saya on their appointments to key leadership positions in Rotary District 3271 for the Rotary Year 2026–27.
- Appreciation expressed to 35 RCK members who collectively contributed approximately US\$3,000 toward Rotary Sri Lanka's One Million Trees Project, enabling the planting of 10,000 trees.
- Guest Speaker, Rtn. Dr. Imran Yousuf, invited to the head table
- The President introduced the guest speaker, Rtn. Dr. Imran Yusuf, who spoke on "Harmony Within: Strategy for Coping with Stress."

- Presentation of memento to the guest speaker by DGE Shahzad Sabir, PP Saleem Zamindar, and PP Navin Merchant.
- Sunshine Collection: Rs. 144,200 so far; today's collection Rs. 500; total Rs. 144,700.

Key Insights from the Talk

1. Mental health is not merely the absence of illness but a state of well-being, which enables individuals to realize their potential, manage life's stresses, work productively, and contribute to society.
2. Holistic well-being requires physical, emotional, intellectual, and spiritual balance.
3. Strong relationships, rest, and support enhance mental wellness.
4. DOSE (Dopamine, Oxytocin, Serotonin, Endorphins) underpins happiness and resilience.
5. Healthy habits and self-awareness strengthen emotional well-being.
6. RCK's Global Grants supported mental health and rehabilitation services for 200 beneficiaries through funding exceeding US\$89,000.
7. Since 2022, the Mental Health Project has treated 4,314 patients through 5,169 sessions.

Rtn. Abdul Qadir Memon

Founder and Chief Advisor, A.Qadir & Company

Meeting # : 41 of 2025-2026
Date : Tuesday, June 16, 2026
Topic : Discussion on the Budget Proposals 2026
Participants : 54

Abdul Qadir Memon is the Founder and Chief Advisor of A. Qadir & Company, a leading taxation and corporate law consultancy established in 1980. A founding Rotaractor of Rotaract Club North and an active member of the Rotary Club of Karachi, he has held numerous leadership positions in taxation, corporate governance, and public policy.

He has served on several national boards and advisory committees, while also contributing extensively to welfare through organizations including the Cleft and Contracture Foundation, Elza Mukhtar Foundation, Patients' Behbud Society for Aga Khan University Hospital, and Hamdard Laboratories (Waqf) Pakistan

Meeting Proceedings

- Invocation by Rtn. Shafqat Ali, followed by the National Anthem.
- Guests were warmly welcomed.
- Birthday greetings: Rtn. Pir Abdul Razzak Shah (June 11) and Rtn. Faisal Zahid Malik (June 12).
- Wedding anniversary greetings: Rtn. Asim Ghani Usman (June 10) and Rtn. Sikander Lalani (June 14).
- Project updates: 64 artificial limb patients served; 650 dialysis treatments provided; 26 new mental health patients enrolled, bringing the cumulative total to 4,311.
- The Rotary International Convention 2026 in Taipei, Taiwan, was attended by over 30,000 Rotarians from more than 120 countries. RCK was represented by Trustee Aziz Memon and PP Mohammad Ovais, with the Club also hosting a booth at the House of Friendship.
- PP Shahzad Qureshi briefed members on the upcoming Rotary District 3271 Installation Ceremony scheduled for July 4, 2026.
- The President introduced the guest speaker, Rtn. Abdul Qadir Memon,, who spoke on "Discussion on the Budget Proposals 2026".
- Presentation of memento to the guest speaker by DGE Shahzad Sabir, PP Shiraz Sachedina, PP Saleem Zamindar, and PP Navin Merchant.
- Sunshine Collection: Rs. 144,700 so far; today's collection Rs. 1,250; total Rs. 145,950.

Key Insights from the Talk

1. Budget 2026–27 projects GDP growth of 4%, inflation of 8.2%, and total federal revenues of Rs. 20.6 trillion, reflecting a continued focus on economic stabilization.
2. Tax relief has been provided to salaried individuals through lower tax rates and the removal of the 9% surcharge on incomes above Rs 10 million.
3. Custom duty on contraceptives, APIS for cancer medicines & sanitary products has been withdrawn.
4. Sales tax exemption on CKD imports for EVs has been extended until June 2027, while luxury imported EVs will now face FED of up to 40%.
5. The budget supports growth by extending tax incentives for the technology sector until June 2029 and reducing advance taxes on property transactions.
6. Greater focus on digitalization through faceless audits and real-time tax monitoring. Stricter tax compliance and higher penalties for tax violations to expand the tax base.

Prof. Shaista Effendi Rais

Consultant Plastic, Reconstructive, Burn, Aesthetic Surgeon,
Holistic Practitioner & Educationalist at Dr. Ziauddin University Hospital

Meeting # : 42 of 2025-2026
Date : Tuesday, June 23, 2026
Topic : Awareness Maintaining Health - BODY,
MIND & SOUL with PREVENTION of Skin
Cancers, Accidents, Burns, Diseases,
Drug Addiction...
Participants : 56

Professor Shaista Effendi Rais is a Consultant Plastic, Reconstructive, Burn and Aesthetic Surgeon, Holistic Practitioner, and Educationalist at Dr. Ziauddin University Hospital, Karachi. She is a graduate of Dow Medical College and holds an FRCS from Edinburgh.

Over her distinguished career, she established the largest 65-bed Burns Centre at Civil Hospital Karachi through a public-private partnership, introduced

multidisciplinary cleft lip and palate care, and pioneered microvascular surgery initiatives. She has also represented Pakistan internationally in burn and disaster management forums and has made significant contributions to healthcare development, medical training, research, and patient care.

She is also a granddaughter of late Hassanali Effendi, the founder of Sindh Madrastul Isam

Meeting Proceedings

- Invocation by Rtn. Khalid Abdullah, followed by the National Anthem.
- Guests were warmly welcomed.
- Birthday greetings: Rtn. S.M. Salahuddin (June 11) and Rtn. Mashkoor Khan (June 23).
- Wedding anniversary greetings: Rtn. Shahzad Arshad & Rtn. Nausheen Shahzad (June 22).
- Project updates: 59 artificial limb patients served, including 40 new patients; 600 dialysis treatments provided; 23 mental health patients treated, bringing the cumulative total to 4,372.
- Members were informed about a special PKR 50,000 discount has been offered by PICG for RCK members, for its Directors Training Programme, scheduled for August – September 2026.
- Trustee Aziz Memon shared highlights from the Rotary International Convention 2026 held in Taipei, Taiwan.
- PP Navin Merchant briefed members on upcoming Rotary Club of Karachi events planned for July 2026.
- The President introduced the guest speaker, who gave her presentation and talk.
- Q&A session held.
- Presentation of memento to the guest speaker by Trustee Aziz Memon, DGE Shahzad Sabir, PP Navin Merchant, and PP Kazi Abid.
- Sunshine Collection: Rs. 145,950 so far; today's collection Rs. 1,700; total Rs. 147,650.

Key Insights from the Talk

1. The speaker emphasized the sanctity of human life, citing Surah Al-Ma'idah (5:32), which highlights that saving one life is like saving all humanity.
2. The 65-bed Burns Centre, one of the largest in the world, stands as a successful example of a public-private partnership in healthcare.
3. Pakistan is a heaven on Earth, and the world is a global village.
4. But basic awareness is lacking in society. This is apparent from the fact that a lot of burn accidents are self-caused, out of carelessness or illiteracy.
5. The need of the hour is to prevent destruction and work towards building a knowledgeable, healthy, safe, self-respecting, clean, and future-ready nation.

JULY 2026 – ROTARY’S MATERNAL AND CHILD HEALTH MONTH

As the Rotary year 2026–27 begins, we open with one of the most urgent and deeply human causes on our agenda, the health of mothers and their children. July is dedicated to Maternal and Child Health, a cause that extends far beyond healthcare. It speaks to the quality of life, the strength of communities, and the promise of future generations.

A key indicator of the state of the health of a country's population, is maternal and child health. Each year about 5 million children under 5 years of age, die from preventable causes such as malnutrition and inadequate healthcare and sanitation. More than 80% of maternal deaths could be avoided by access to quality reproductive healthcare services, including accessible prenatal and postnatal care, skilled birth attendants, immunization, proper nutrition, clean water, sanitation, and health education.

In Pakistan, every day, 675 newborns and 27 mothers die from preventable complications. In total, there are over 9,800 mothers and 246,300 newborns who die each year from complications, and most of these deaths can be avoided. While maternal mortality has fallen over the years, and immunisation and skilled birth attendance have both improved, yet deep disparities exist across regions and socio-economic groups.

Maternal and Child Health is a principal Focus Area of Rotary and its approach goes beyond aid. Through The Rotary Foundation's Global Grants, clubs worldwide train community health workers, run mobile clinics, deliver immunisation programmes, distribute birthing kits, and promote maternal nutrition. Globally, these efforts have yielded real results: strengthening health systems across African nations, driving HPV vaccine inclusion into Sri Lanka's national immunisation programme, delivering vaccines to over 100,000 children across remote Pacific Islands, and supporting obstetric fistula repair for vulnerable women in Nigeria. These examples underscore an important principle: lasting progress is achieved when communities themselves are equipped with the knowledge, skills, and resources to improve their own health outcomes.

The Trust for Malnutrition and Stunted Growth (TMSG) was created through a partnership between Rotary Canada and Rotary Club of Karachi (RCK). AKU was the first to work with this Trust, for the rapid diagnosis and management of moderate to severe malnutrition of children and pregnant women in the community. Subsequently, the Chair of Paediatrics & Child Health at Aga Khan University, Dr Fyezah Jehan, received the prestigious Paul Harris Award at a ceremony in February 2024, for her work on malnutrition. The Rotary Club of Karachi, in collaboration with the Rotary Club of St. Catharines South and the Trust for Malnutrition and Stunted Growth, hosted the event to recognise her "outstanding service and dedication to the community".

The work of Rotary has always begun in the community. As we enter this new Rotary year, July is our reminder that the most fundamental investment a society can make is in the health of its mothers and children. A healthy beginning truly is a hopeful future.
