EDITOR'S NOTE

Dear Rotarians,

It is an honour to present the first issue of Karachi Rotarian for the Rotary year 2026–2027 as Honorary Secretary of the Rotary Club of Karachi and Editor of our monthly e-newsletter.

I would like to express my sincere appreciation to my predecessor, Rtn. Zohare Ali Shariff, for his dedication in producing Karachi Rotarian over the past year. His efforts created a valuable record of our club's meetings, service projects, and Rotary initiatives, providing a strong foundation to build upon.

As we begin a new Rotary year under the leadership of President Humayun Qureshi, we do so with renewed enthusiasm and our shared commitment to Service Above Self. We were also privileged to welcome Rotary International President-elect Larry Lunsford and Rotary International Director Jennifer Scott to Karachi, whose visits inspired our members and reaffirmed our club's place within the global Rotary family.

As Editor, I hope to continue the newsletter's legacy while making it an even stronger platform to celebrate our members, showcase the impact of our service projects, strengthen fellowship, and inspire greater participation. I encourage every member to contribute photographs, project updates, achievements, and stories so we can continue documenting the remarkable journey of the Rotary Club of Karachi.

I also extend my heartfelt gratitude to Trustee Aziz Memon for his mentorship and encouragement, and to District Governor Shahzad Sabir for his guidance and confidence. Finally, I thank our Board of Directors and every member of the Rotary Club of Karachi for their continued support.

I look forward to another year of meaningful service, lasting fellowship, and shared accomplishments.

Yours in Rotary,

Bilal Mustikhan

Editor, Karachi Rotarian
Honorary Secretary - 2026–2027
Rotary Club of Karachi

PRESIDENT'S MESSAGE

Dear Fellow Rotarians,

It is my privilege to welcome you to the first edition of year 2026–2027 of our club newsletter. and to write to you as your President for the Rotary Year 2026–27.

When RI Director Jennifer Scott joined us at our Installation on 7 July, and Immediate Past President Naila Masood handed over the President's Collar, I was reminded of the honour and responsibility of leading a club in its 95th year—one of Pakistan's oldest and largest Rotary clubs, proudly serving since 1933.

I also want to share a distinction that belongs to all of us. Our District Governor for 2026–27, DG Shahzad Sabir, is a member of the Rotary Club of Karachi. It is a rare honour and reflects the strong leadership our club continues to produce.

Rotary International's theme this year is "Create Lasting Impact." I have added a simple commitment: we will strive to improve everything by at least 15%—from member engagement and our Sunshine Collection to the reach and impact of our service projects. We have exciting initiatives planned, including our Annual Fundraising Ball in November and inspiring weekly Tuesday meetings at the Pearl Continental.

To achieve our vision, I ask every member to bring just one new member this year. If each of us does, we will strengthen and transform our club. Invite a colleague, friend, or professional who shares our values and let them experience Rotary firsthand.

Impact is created by members who participate, lead, and serve. This newsletter is here to celebrate those efforts, keep us connected, and inspire even greater involvement.

We have a remarkable year ahead. Let us make it count.

Yours in Rotary Service,

Humayun Qureshi

Humayun Qureshi
President,
Rotary Club of Karachi 2026–27

Message from Rotary International President 2026-27

Congratulations on your installation as a club officer for 2026-27. You have been appointed to this role because of your commitment to our global organization and your tireless efforts to expand Rotary's reach, champion peace, and Create Lasting Impact.

Thank you for all you do.

As you step into this new position, I encourage you to be better than your best. While we traditionally celebrate clubs that raise the most funds, attract the most members, or run the biggest projects, the healthiest competition is not between clubs at all. It is between ourselves. It is between our past and our present, what we have already accomplished and what we have yet to achieve.

We often share how Rotary inspires lasting change in communities, but we rarely discuss how it transforms us. Consider how Rotary has changed your life and helped you be better than your best and share your story widely. If we can do that, we will engage current members, expand our reach, forge exciting connections with like-minded partners, and solve some of the world's most pressing challenges.

Let us continue to Create Lasting Impact through Rotary—across the globe, in our communities, and in ourselves. I look forward to working alongside you in service.

OLAYINKA HAKEEM BABALOLA
President
Rotary International 2026-27

ROUNDUP

WEEKLY MEETINGS

JULY - 2026

WEEK - 01

No weekly meeting took place in lieu of District Installation ceremony

WEEK - 02

July 14, 2026

Rear Admiral (R) Shahid Ahmed

Chairman, Karachi Port Trust

WEEK - 03

July 21, 2026

Khurram Husain

Business and Economy Journalist

WEEK - 04

No weekly meeting took place in lieu of the Rotary Intercity meeting

Guest Speaker

Rear Admiral (R) Shahid Ahmed

Chairman, Karachi Port Trust

Meeting # : 1 of 2026-2027
Date : Tuesday, July 14, 2026
Topic : Port Performance
Participants : 68

Rear Admiral (Retd.) Shahid Ahmed, SI(M), S. Bt., is the Chairman of Karachi Port Trust (KPT), bringing over 36 years of distinguished service in the Pakistan Navy and extensive expertise in maritime affairs. Commissioned in 1988, he has held numerous command, operational, and strategic leadership positions, including Naval Provost Marshal, Commander Force Protection Brigade, Director Marines & SSG (Navy), and Assistant Chief of the Naval Staff. He also served as Director General (Operations)

at Port Qasim Authority, where he led significant operational advancements. A graduate of Pakistan Navy War College, NDU Islamabad, and NDU Washington, he is also a Fellow of the Chartered Institute of Logistics & Transport and The Nautical Institute (UK). His wealth of experience in leadership, maritime management, and national service makes him an eminent authority in Pakistan's maritime sector.

Meeting Proceedings

- The Invocation was followed by the National Anthem.
- Guests were warmly welcomed.
- Birthday greetings were extended to Rtn. Bilal Asad Gulzar (July 12), Rtn. Abbas Akberali (July 12), and Rtn. Dr. Tasmia Abeer Billoo (July 13).
- Wedding anniversary greetings were conveyed to Rtn. Jawad Sarwana (July 9).
- Project updates were shared: 61 artificial limb patients were served, 660 dialysis treatments were provided, and 22 mental health patients received treatment, bringing the cumulative total to 4,403 patients.
- The President welcomed the Speaker, Rear Admiral (Retd.) Shahid Ahmed, SI(M), S. Bt., Chairman of Karachi Port Trust, who then delivered a presentation on "Port Performance."
- A memento was presented to Rear Admiral (Retd.) Shahid Ahmed.
- Sunshine Collection: Rs. 3,000 collected previously, with Rs. 2,200 collected during the meeting.

Key Insights from the Talk

1. Rear Admiral (Retd.) Shahid Ahmed shared that Karachi Port Trust (KPT) has launched a Rs. 200 billion development plan to modernise port infrastructure and strengthen trade facilitation.
2. He highlighted that KPT achieved a record handling of 55.5 million tonnes of cargo and approximately 7,150 vessels, reflecting significant improvements in operational efficiency.
3. He explained that ongoing infrastructure upgrades and expanded regional trade connectivity are aimed at positioning Pakistan as a regional transshipment hub.
4. He also discussed initiatives to strengthen employee development, modernise vessel traffic management, and improve road and rail connectivity to reduce congestion and support sustainable economic growth.

Guest Speaker

Khurram Husain

Business and Economy Journalist

Meeting #	:	2 of 2026-2027
Date	:	Tuesday, July 21, 2026
Topic	:	Examining Pakistan's Economy in the Current World Order
Participants	:	59

Khurram Husain is one of Pakistan's leading economic journalists and policy commentators, renowned for his insightful analysis of the country's economy, governance, and public policy. As the Business Editor at Dawn, he has built a distinguished reputation for explaining complex economic issues with clarity and depth, covering areas such as fiscal policy, taxation, monetary affairs, and structural reforms. Beyond

journalism, he has contributed as an economic analyst to the BBC and participated in prominent national and international policy forums. Through his research-driven commentary and public engagement, he continues to promote informed dialogue on economic reform, sustainable development, and governance, making him one of Pakistan's most respected voices on business and public policy.

Meeting Proceedings

- The Invocation was followed by the National Anthem.
- Guests were warmly welcomed. Birthday greetings were extended to Rtn. Dr. Shahzad Arshad (15 July), Rtn. Zohare Ali Shariff (16 July), Rtn. Bilal Musti Khan (17 July), and PP Wasim Mirza (18 July).
- Wedding anniversary greetings were conveyed to Rtn. Syed Feroz Shah (16 July) and Rtn. Rashid Rauf (17 July).
- Members were encouraged to contribute to the Sunshine Collection in support of the Club's literacy project.
- Project updates were shared: 54 artificial limb patients were served, 650 dialysis treatments were provided, and 20 mental health patients received treatment, bringing the cumulative total to 4,423 patients.
- Members were updated on the Artificial Limbs Outreach Programme in Sukkur and Kunri, Umerkot, where 17 artificial limbs were fitted and measurements of approximately 50 new patients were taken.
- The President shared highlights of the visit by Rotary International Director Jennifer A. Scott and Past District Governor Dr. Mildred Vintangcol to the Artificial Limbs Centre, where they met children in the education programme and learned about initiatives including art therapy, mental health counselling, and character-building workshops.
- The President welcomed Khurram Husain, Business and Economy Journalist, who delivered a presentation on
- "Examining Pakistan's Economy in the Current World Order."
- A memento was presented to Khurram Husain in appreciation of his insightful presentation.
- Sunshine Collection: Rs. 5,200 collected so far.

Key Insights from the Talk

1. Khurram Husain explained that Pakistan's economic trajectory is closely linked to the history of oil, highlighting how the 1970s oil shocks reshaped the global economy and continue to influence international trade and politics.
2. He noted that governments and companies increased crude oil stockpiles ahead of the 2025 Israel-Iran conflict, while China's strategic petroleum reserves helped stabilise global oil prices despite regional tensions.
3. He emphasised that Pakistan remains highly vulnerable to global oil price fluctuations, as petroleum accounts for nearly one-third of its imports, while the Middle East continues to be a vital source of energy imports and workers' remittances.
4. He highlighted Pakistan's improving foreign exchange reserves, the extension of Saudi financial support until April 2027, and the country's balanced diplomatic relations with Saudi Arabia and Iran, while cautioning that continued geopolitical uncertainty in the Middle East poses ongoing risks to global energy markets and Pakistan's economy.
5. Continued geopolitical uncertainty in the Middle East will likely keep global energy markets and Pakistan's economy exposed to future risks.

Rotary District 3271 Ushers in the Rotary Year 2026–27 with a Grand Installation Ceremony

The Rotary District 3271 Installation Ceremony for the Rotary Year 2026–27 was held on 4 July 2026 at the Marquee, Pearl Continental Hotel, Karachi, bringing together Rotarians, dignitaries, and distinguished guests from across the district to celebrate the beginning of a new year of service and leadership.

The day commenced with the installation of Assistant Governors, Club Presidents, Secretaries, and District Chairpersons, reaffirming Rotary's commitment to strengthening leadership across the district. As Rotarians and guests assembled for the evening ceremony, the official proceedings began with a recitation from the Holy Quran, followed by the national anthems of Pakistan and Australia, symbolising Rotary's global fellowship.

The audience was welcomed by the President of the Rotary Club of Karachi before witnessing the launch of the commemorative publication, "100 Years of Rotary Service in Pakistan," celebrating a century of Rotary's enduring impact and humanitarian service in the country.

Outgoing District Governor Shakil Kaim Khani reflected on the achievements of the previous Rotary Year before formally installing Shahzad Sabir as District Governor for the Rotary Year 2026–27. This was followed by the installation of the District Team and commemorative group photographs marking the commencement of the new leadership.

District Governor Shahzad Sabir then shared his vision and priorities for the year ahead, outlining an ambitious roadmap focused on service, membership growth,

innovation, and community impact. The evening also featured addresses by Past TRF Trustee Aziz Memon and Past Rotary International Director Muhammad Faiz Kidwai, who inspired attendees with their reflections on Rotary's enduring mission and the opportunities that lie ahead.

Among the highlights of the evening were the launch of the District Website and Mobile Application, demonstrating the district's commitment to digital engagement, as well as the unveiling of the Million Trees Project and the presentation of the Medical Outreach Committee, reflecting Rotary's continued commitment to environmental sustainability and community health.

The ceremony was honoured by the presence of Jennifer A. Scott, who attended as Chief Guest and addressed the gathering, reinforcing the values of leadership, fellowship, and Service Above Self that continue to define Rotary around the world.

The evening concluded with the presentation of shields and souvenirs, followed by a vote of thanks from District Governor-Elect Ch. Fahad Sikandar. Guests then enjoyed dinner and musical performances, providing Rotarians with an opportunity to celebrate fellowship while marking the beginning of another promising Rotary Year.

The Installation Ceremony set an inspiring tone for the year ahead, highlighting Rotary District 3271's shared commitment to leadership, service, innovation, and creating lasting impact in communities across the district.

Membership & New Club Development Month

Every August, Rotary International observes Membership and New Club Development Month, reaffirming the belief that the strength of Rotary lies in its people.

As communities continue to evolve, Rotary must also grow by welcoming new members, embracing diverse perspectives, and fostering innovative club models that encourage greater participation in service.

New Club Development is a key priority during this month. Rotary continues to extend its reach to emerging leaders, young professionals, and individuals who share a commitment to Service Above Self. Every new member brings unique experiences, professional expertise, and fresh ideas that strengthen our ability to address community needs and deliver meaningful service. These new clubs create additional opportunities for collaboration, innovation, and sustainable community impact while ensuring that Rotary remains relevant to future generations.

Membership in Rotary offers far more than participation in service projects. It provides opportunities to develop leadership skills, exchange professional knowledge, and become part of a global network of more than a million people dedicated to creating positive change. Through initiatives such as Rotary Fellowships, Rotarian Action Groups, the Rotary International Convention, and the continued growth of Rotaract and Interact, members are connected to a worldwide family united by a common purpose.

As we observe Membership and New Club Development Month, let us reaffirm our commitment to strengthening our Rotary family by inviting others to experience the values, fellowship, and opportunities that Rotary offers. Together, we can expand our reach, enhance our service, and continue making a lasting difference in our communities and beyond.

Every Member Matters: District 3271 Rolls Out a Red-Carpet Welcome for RI President-Elect Larry A. Lunsford

Karachi's Rotary family came together in a rare and beautiful show of unity, as five clubs — Rotary Club of Karachi Karsaz, Rotary Club of Karachi, Rotary Club of Karachi Quaid, Rotary Club of Karachi Green City, and Rotary Club of Karachi Shahrah e Faisal — joined hands to host an Intercity Meeting in honour of Rotary International President-Elect Larry A. Lunsford's official visit to Pakistan. Under the leadership of District Governor 2026-27 Shahzad Sabir, and led on the ground by Host President Aliyah Kohari alongside Co-Host Presidents Humayun Qureshi, Adnan Syed Raja Saheb, Dr. Javed Akhtar, and Shakeel Muhammad, the evening carried one clear message: Every Member Matters.

The night opened on a note of reflection and pride — a recitation from the Holy Quran and its translation by students of The City School, followed by the national anthems of Pakistan and the United States performed by The City School Choir. As the Master of Ceremony took the floor, the tone for the evening was set in one memorable line: "Bring One — Not Enough if you can't Engage One." Aliyah Kohari welcomed the room with warmth and purpose, and the momentum built further as Anila Chaudhary, District Learning Facilitator, unveiled the Smart Village initiative, a powerful reminder that behind every community project stands a member willing to give their time, skill, and relationships.

The energy in the ballroom rose further as District Governor Shahzad Sabir took the stage, followed by a Centennial Book video that framed a century of Rotary in Pakistan not as history, but as a torch passed from one generation of members to the next. Then came the moment everyone had gathered for: Chief Guest Larry A. Lunsford's keynote on growing Rotary through purpose, belonging, engagement, and leadership — punctuated by the symbolic presentation of a 200-membership commitment, a tangible pledge of the district's growth ambitions. The evening's most candid moment followed in the fireside chat, "From Legacy to Growth: Three Leaders, One Shared Vision," where Larry A. Lunsford sat alongside Past Trustee Aziz Memon and PRID Muhammad Faiz Kidwai, fielding questions from an engaged audience eager to learn from Rotary's most seasoned voices.

As the evening drew to a close, Abdul Jabbar Sheikh delivered a vote of thanks that doubled as a challenge: bring one prospective member, reconnect with one existing member, and create one meaningful role for someone new. It was a fitting close to a night that proved, once again, that when Rotary clubs come together, the impact multiplies. Five clubs, one district, one shared vision — together, District 3271 connected, served, and created lasting impact.

Happy Independence Day

My message to you all is of hope, courage and confidence. Let us mobilize all our resources in a systematic and organized way and tackle the grave issues that confront us with grim determination and discipline worthy of a great nation.

Quaid e Azam Muhammad Ali Jinnah

RCK ACTIVITIES THIS MONTH

Rotary International Delegation Visits the Artificial Limb Center

The Artificial Limb Center (ALC), a flagship programme of the Rotary Club of Karachi, operates from the Rotary Centre in Gulistan-e-Johar, providing comprehensive rehabilitation and support to individuals with limb loss. This month, the Centre had the honour of hosting a distinguished delegation of Rotarians during the visit of Rotary International Director Jennifer A. Scott from Australia and Dr. Mildred Vintangcol, District Governor (2022–23), from the Philippines.

In addition to touring the Centre, the delegation met three remarkable young children who are part of the ALC's education programme. Beyond prosthetic care, the Centre sponsors the education of 20 children, covering their tuition, transportation, books, and uniforms. The children also participate in monthly art

therapy sessions conducted by Salma Habib, while the Centre is expanding its holistic support programme to include in-house psychological counselling by Farris Mughal and confidence and character-building workshops facilitated by Adnan Tariq.

The children featured in the photograph—Kinza, Rida, and Aliyan—have been visiting the Centre since they were just two or three years old. Each has faced the life-changing experience of losing a limb, yet each continues to demonstrate extraordinary courage, resilience, and determination. For them, the Centre is far more than a place for rehabilitation; it is a source of hope, belonging, opportunity, and encouragement, empowering them to build brighter futures with confidence.

Artificial Limb Outreach Programme Reaches Sukkur and Kunri

As part of its mission to make prosthetic care accessible to underserved communities, the Rotary Club of Karachi's Artificial Limb Centre (ALC) conducted successful outreach camps in Sukkur and Kunri, Umerkot, this month.

On 8–9 July, the ALC team visited Sukkur, where 17 amputees were fitted with artificial limbs, restoring their mobility and independence. During the visit, the team also assessed and recorded measurements for new patients requiring prosthetic support. The outreach continued on 10 July in Kunri, Umerkot, where measurements were taken for approximately 40 new patients.

Across both camps, the team recorded approximately 50 new patient measurements, laying the foundation for future prosthetic fittings. These outreach initiatives reflect the ALC's ongoing commitment to reaching those who have limited access to specialised rehabilitation services, ensuring that more individuals can regain mobility, confidence, and the opportunity to lead independent lives.

A Historic Visit: RI President-Elect Larry A. Lunsford Comes to District 3271

From a grand welcome in Karachi to hands-on polio vaccination drives in Lyari, and from a courtesy call on the Chief Minister of Sindh to landmark health and community initiatives, Rotary International President-Elect Larry A. Lunsford's visit to Pakistan was a memorable journey of fellowship, service, and shared purpose.

Throughout the visit, President-Elect Lunsford was accompanied by RI Trustee Aziz Memon, District Governor Shahzad Sabir, District Governor-Elect Fahad Sikandar, District Governor-Nominee Engr. Abdul Jabbar Shaikh, and other Rotary leaders. The delegation engaged directly with communities, institutions, and government partners across District 3271.

A Warm Welcome at the Intercity Meeting

The visit began with the Intercity Meeting on Sunday, 26 July, at the PC Ballroom, Pearl-Continental Hotel, Karachi. The evening opened with a recitation from the Holy Quran, followed by the national anthems of the United States and Pakistan, symbolising Rotary's spirit of unity, mutual respect, and global friendship. The event was hosted by the Rotary Club of Karachi Karsaz, alongside the Rotary Club of Karachi, Rotary Club of Karachi Quaid, Rotary Club of Khairpur Green City, and Rotary Club of Karachi Shahrah-e-Faisal. President-Elect Lunsford's presence inspired Rotarians and reinforced the district's commitment to strengthening clubs, growing membership, and creating lasting community impact.

Rotary Smart Village: A Model of Sustainable Impact

The delegation visited the Rotary Smart Village, witnessing an integrated model of sustainable community development. The guests met local artisans producing traditional clay pottery as a source of livelihood, visited the E-Learning Centre providing digital education to children and youth, and toured the Skills Development Centre, where women receive training in stitching, tailoring, and fashion design. At the community healthcare facility, residents receive

primary care, first aid, medical consultations, and essential medicines free of cost. The village also benefits from clean drinking water, improved sanitation, and environmental initiatives.

President-Elect Lunsford praised the Smart Village as an outstanding example of Rotary's Seven Areas of Focus brought together within one community and a true embodiment of Service Above Self.

Tree Plantation Drive, Public School Mirpurkhas

Following the inauguration of a new RO Water Filtration Plant at Public School, Mirpurkhas, President-Elect Lunsford joined district leadership in planting a commemorative tree. The tree plantation symbolised hope, growth, and a shared responsibility to protect the environment for future generations.

Visit to Rotary Club of Karachi PN Model School

At the invitation of Humayun Qureshi, President of the Rotary Club of Karachi, the delegation visited PN Model School. The visit highlighted Rotary's continued commitment to education and youth development. The delegation interacted with students, learned about the school's educational initiatives, and reaffirmed Rotary's dedication to empowering the next generation through quality education and community service.

RO Water Filtration Plant Inauguration, Mirpurkhas Railway Station

A landmark clean-water initiative was inaugurated at Mirpurkhas Railway Station with the completion of a Reverse Osmosis (RO) Water Filtration Plant. The facility will provide safe drinking water to commuters, railway staff, worshippers, and the surrounding community.

The project was made possible through the support of Oil & Gas Development Company Limited (OGDCL) in partnership with the Rotary Club of Karachi. Special appreciation was extended to Rtn. Naila Masood, Past President of the Rotary Club of Karachi, and RI Trustee Aziz Memon, National Chair of the PolioPlus Committee, for their leadership, as well as Asher Ali, WASH Ambassador Pakistan, and Rtn. Dr. Farhan Malik of the WASH Committee, for their contributions to the project.

Courtesy Call on the Chief Minister of Sindh

The Rotary delegation, including Past RI Trustee Aziz Memon, District Governor Shahzad Sabir, DGE Fahad Sikandar, DGN Engr. Abdul Jabbar Shaikh, and PDG Saleem Rao, paid a courtesy call on the Honorable Chief Minister of Sindh. Discussions focused on strengthening collaboration between the Government of Sindh and Rotary to support Polio Supplemental National Immunization Days (SNIDs) and accelerate progress towards a polio-free Pakistan. Broader cooperation in health, education, and community development was also discussed.

Karabai Karimjee School, Lyari: Education, Health, and a Football Match

On Monday, 27 July, at the invitation of Rotary Club of Karachi Sunset Millennium President Dr. Kausar Malik, the delegation visited Karabai Karimjee School in Lyari. The school's initiatives include the Takmil Accelerated Learning Program for non-formal education, an IT and vocational training hub, and a refurbished multi-purpose room. High-capacity water chillers and upgraded, segregated sanitation facilities support student health and welfare, while a joint medical clinic and immunization centre, operated in partnership with Greenstar and local health authorities, provides essential medical support.

The visit also featured a public health engagement, with President-Elect Lunsford and District Governor Shahzad Sabir personally administering polio vaccinations to local children. The day concluded with a "Kick Polio Out of Pakistan" exhibition match, where Mr. Lunsford and PDG Aftab Imam participated in a penalty shootout against the school's girls' football squad. The young athletes emerged victorious, bringing a joyful close to the visit and highlighting the talent and promise of Lyari's youth.

Meeting with the Health Minister of Sindh

Rounding out the health-focused engagements, District Governor Shahzad Sabir, President-Elect Larry Lunsford, RI Trustee Aziz Memon, DGE Fahad Sikandar, and DGN Abdul Jabbar Shaikh met with the Honorable Health Minister of Sindh. The discussion reaffirmed Rotary's commitment to strengthening Pakistan's National Immunization Programme, with a focus on polio eradication, SNIDs, and other public health priorities.

From boardrooms to schoolyards, from government offices to a football pitch in Lyari, President-Elect Larry A. Lunsford's visit to District 3271 demonstrated the impact that strong partnerships between Rotary, governments, communities, and fellow Rotarians can create. As Pakistan continues its journey towards a polio-free future and stronger, healthier communities, District 3271 remains committed to the shared vision that defined the visit: Service Above Self.
